

"Let's Go Fishing" 2012 Instructors' Workshop

Sponsored by Vermont Fish & Wildlife

This is a hands-on clinic where you are not expected to be "experts." All you need is an interest in sharing your enthusiasm for fishing while working with kids and families that really love to fish. You'll learn ecology and management of Vermont's fishery resources, tackle craft, effective techniques for catching fish and more! As a certified instructor you can go back to your community, school, or organization and develop fishing clinics that are both educational and fun.

WHEN: Saturday, March 24, 2012
8:30 a.m. - 6:00 p.m.
(Lunch & Dinner included)

WHERE: Kehoe Education Center
636 Point of Pines Road
Castleton, VT 05735

Instructors practice fly-fishing at the 2011 training

Please detach and return registration to Let's Go Fishing, PO Box 6004, Rutland, VT 05702 by March 12, 2012.
