STATEMENT OF DISABILITY

Tel.: (802) 241-3700
TDD: 1-800-253-0191

The permit to hunt from a motor vehicle off the right of way may be issued to a licensed hunter who is certified by a physician to be unable to pursue game because of a permanent severe physical disability. If the applicant's disability is not a permanent disability, or at this time you are unsure that the disability is permanent, please do not fill out this application. These permits are issued to permanently disabled persons only. Please note that we will call to verify the disability. This is to certify that the below named applicant has been under my professional care since:

_____ for the permanent disability described in detail below:

Three horizontal lines for describing the disability.

In my opinion, by reason of the above described permanent severe disability, the applicant named below is unable to pursue game, therefore entitling him/her to a permit to hunt from a vehicle off the right of way.
