

Rule 641

1.0 Authority

1.1 This rule is adopted pursuant to 10 V.S.A. §4145(a) which authorizes the board to make rules to “regulate the use by the public of access areas, landing areas, parking areas or of other lands or waters acquired or maintained pursuant to [10 V.S.A. § 4144].”

1.2 This rule applies to use of state controlled fishing access areas and to persons, businesses, or entities that use the fishing access areas.

2.0 Purpose

The purpose of this rule is to:

2.1 Ensure current and future uses are orderly, sustainable, and in accordance with state and federal statutes and guidelines.

2.2 Manage conflict between users by clarifying authorized and prohibited activities and ensuring users share in the burdens and benefits of use.

2.3 Protect the fishing access areas for statutorily approved uses.

3.0 Definitions

3.1 *Commercial Activity* is any activity or service that produces income to any entity or individual.

3.2 *Picnicking* includes but is not limited to any activity that involves, cooking, grilling, food preparation and, set-up associated with eating (including setting blankets or table clothes laid on the ground).

3.3 *Camping* includes any activity using a tent, camper, or motor home, any activity involving preparation of an area for sleeping or, any overnight sleeping.

3.4 *Group use* is use actually or potentially involving 10 or more people or 2 or more vehicles at a time.

3.5 *Parking* is the leaving of motor vehicles or trailers unattended in an access area.

3.6 *Motor vehicles* are all vehicles propelled or drawn by power other than muscle power.

3.7 *Vessel* means motor boats, boats, kayaks, canoes and sail boats.

4.0 Authorized Activities

The following are authorized activities in order of priority:
