Vermont's Wildlife Action Plan 11/22/2005

I. Acknowledgements	ii
II. Foreword	iii
III. Users' Guide to Vermont Wildlife Action Plan	v
IV. Table of Contents	vii
V. NAAT Reviewer's Guide to Vermont's Wildlife Action Plan	xi
VI. Executive Summary	xxv
Chapter 1: Introduction	
Mandates, Mission and Strategic Focus	1-1
Problem and Need	1-2
Vermonters Care About Wildlife.....	1-3
Congress Responds.....	1-3
Comprehensive Wildlife Conservation Strategy	1-4
Expected Results and Benefits of the Wildlife Action Plan.....	1-6
Conservation Partners	1-7
Statewide Themes for Action.....	1-9
Chapter 2: Vermont Overview	
Vermont Cares about Wildlife Conservation.....	2-1
The Vermont Landscape—an Overview.....	2-1
Climate	2-2
Geology.....	2-2
Topography	2-3
Hydrology.....	2-3
Land Use History	2-4
Biophysical Regions of Vermont	2-4
Vermont's Landscape—an Historical Perspective.....	2-6
Vermont's Contemporary Land Use.....	2-8
Contemporary Problems Impacting Wildlife in Vermont	2-8
Loss of Habitat	2-9
Impacts of Roads and Trails.....	2-10
Pollution & Sedimentation.....	2-10
Invasive Exotic Species	2-11
Climate Change.....	2-11
Data Gaps and Information Needs	2-11
The Silver Lining	2-12
Conservation Success! Keeping Common Species Common	2-13
The Importance of Education, Law Enforcement and Wildlife-Associated Recreation to Wildlife Conservation	2-17
VT Department of Forests, Parks & Recreation: Current Efforts Related Wildlife Conservation.....	2-21
Vermont Department of Environmental Conservation	2-25
Why Is The Vermont Agency Of Transportation Concerned About Fisheries & Wildlife Issues?.....	2-29

Chapter 3: Developing Vermont's Wildlife Action Plan

Process and Organization	3-1
Timeline	3-1
Organizational Structure	3-1
Outreach and Public Involvement.....	3-5
Coordination with Other Agencies.....	3-7
Outreach events and products	3-8
Species & Habitat Conservation	3-10
Identifying Species of Greatest Conservation Need.....	3-10
Conservation of Species of Greatest Conservation Need & Their Habitats.....	3-14
Fine Filter Species	3-15
Coarse Filter	3-16
Landscape Classification & Ecological Divisions.....	3-17

Chapter 4: Conserving Vermont's Wildlife Resources

Vermont's Species of Greatest Conservation Need.....	1
Problems Impacting Species of Greatest Conservation Need	9
SGCN Conservation Strategy Development	11
Conserving Vermont's Birds.....	12
Conserving Vermont's Fishes.....	15
Conserving Vermont's Invertebrates.....	20
Conserving Vermont's Mammals	24
Conserving Vermont's Reptiles & Amphibians.....	30
SGCN Conservation at Multiple Scales.....	35
Landscape Forest Summary.....	41
Northern Hardwood Forest Summary.....	49
Spruce-Fir-Northern Hardwood Forest Summary.....	55
Oak-Pine-Northern Hardwood Forest Summary.....	61
Landscape Level Aquatic and Shoreline Summary	67
Landscape Fluvial (Stream) Summary	73

Chapter 5: Implementation, Monitoring & Review

Monitoring & Adaptive Management.....	5-1
Wildlife Action Plan: Implementation	5-13
Wildlife Action Plan Review.....	5-17

Chapter 6: Glossary & Acronym Key

Glossary	6-1
Acronym Key.....	6-4

Appendices

Users Guide to Vermont's Wildlife Action Plan

A. Species of Greatest Conservation Need Assessment Summaries

- A1-Birds
- A2-Fishes
- A3-Invertebrates
- A4-Mammals
- A5-Reptiles & Amphibians
- A6-Plant Species of Greatest Conservation Need list

B. Habitat & Community Conservation Summaries

- Introduction /SGCN Conservation at Multiple Scales
- Floodplain Forest Summary
- Hardwood Swamp Summary
- Softwood Swamps Summary
- Vernal Pools & Seeps Summary
- Open Peatlands Summary
- Marshes and Sedge Meadows Summary
- Wet Shores Summary
- Shrub Swamps Summary
- Upland Shores Summary
- Outcrops & Upland Meadows Summary
- Cliff & Talus Summary
- Lake Champlain Tributaries Summary
- Lower Connecticut River Summary
- Lake Champlain Summary
- Lacustrine Summary (excluding Lake Champlain)
- Grassland & Hedgerow Summary
- Mines and Quarries Summary
- Subterranean Summary
- Buildings & Other Structures Summary

C. Definitions of General Problem and Strategy Categories

D. Charters for the Teams & Committees of Vermont's CWCS

E. Sample Conservation Partner Correspondence

F. Sample CWCS Media Coverage

G. Sample Fish & Wildlife Conservation Newsletters

H. Secure Species: the initial species assessments during SGCN selection

I. Explanation of Legal Status and Information Ranks-VFWD-NNHP

J. SWG Proposal Evaluation Form

K. Invasive Exotic and Pest Species

L. Plans & Planning Processes Impacting Vermont's Wildlife
